

Theme of the Month

Our theme for September 2022 will be ALL ABOUT ME. We will be taking part in activities talking about or similarities and differences. We will be looking in mirrors and creating marks to represent what we look like. We will also be looking at emotions and talking about how we feel. If parents can bring in family photos for our family board too so we can talk about our home lives.

Toothbrushes

We are promoting a healthy lifestyle and would appreciate it if you could provide your children with a toothbrush and toothpaste to bring into the nursery. We will be encouraging the children to clean their teeth after mealtimes, as part of our daily routine.

International Literacy Day

We are encouraging all children to bring in their favourite book on the 8th September 2022, children can also dress up as their favourite book character too.

Harvest Festival

This year harvest festival is 11th September 2022. We will be making some food hampers for the nursery to donate to the food bank. Any donations will be greatly received, and should be taken to the main office.

Suitable weather wear reminder

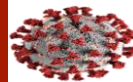

It is safe to say our lovely British climate is somewhat changeable at the moment! We'd just like to take the opportunity to remind parents that we like to go outside as much as possible, come rain or shine, and therefore children need to be dressed properly. Please could we ask that your child attends nursery with a suitable rain jacket and wellies on days where rain is forecast!

SEPTEMBER 2022 NEWSLETTER

Autumn Season 2022

We are looking forward to seeing everyone again, and hope you have all enjoyed your break. The Autumn term starts on Monday 5th September for term time children and on Friday 23rd September 2022 for the season children. We will be going on walks with a tick list of things to find such as pine cones, conkers and sticks. These will be used to create our autumn board and autumn sensory tray, so the children can feel the range of textures.

Just a gentle reminder that we are still following the covid 19 guidelines set out by the government, if they have tested positive, they will need to stay at home for at least 3 days, if your child has a temperature or any other symptom we will monitor it at the nursery, and may ask for you to test, or seek medical advice.

We will be holding a Macmillan coffee morning on 30th September 2022 8am-9.30am. If your child attend on this day, please feel free to join us. All donations will go to Macmillan
